Span America UltraMax Mattress

UMX8042-29 | Span America Product

The Span America UltraMax Foam Geo-Mattress features a 500 lb. weight capacity and more than 800 articulating foam cells for maximum comfort and pressure distribution.

single purchase price

\$1,099.95

Specifications & Technical Features

- 350 lb. weight capacity
- Product weight: 24 lbs.
- Length: 42 in.
- Height: 6 in.
- 2in. deep topped reduces shear to underlying tissues
- More than 800 individually-articulating cells
- Redistributes pressure, reduces heat and skin moisture buildup
- Heel Slope™ designed to further reduce heel pressure
- Shear Transfer Zones create shear-minimizing bands beneath heels, sacrum, and scapula
- 3-dimensional zoning creates anatomically-calibrated support and immersion
- Made of Ultra High Performance Foam specially made for UltraMax
- Polycarbonate-fortified, cleanable LifeSpan® cover

Warranty

- All components: 8 years
- Any alteration, modification, or repair will void warranty
- Normal wear and tear is not covered under the warranty

Lifespan Fabric

The cover's enhanced features include the unique design of the anti-microbial bi-directional stretch cover made with Span's superior LifeSpan® fabric.

LifeSpan® is extremely durable and cleanable and delivers outstanding resistance to chemical breakdown caused by bleach and other harsh disinfectants with its polycarbonate-fortified coating.

Ultra Effective

Geo-Matt® segmented surface and Shear Transfer Zone™ design deliver unsurpassed protection against shearing, pressure, and heat/moisture buildup.

Ultra Resilient

Exclusive UHP 500™ torso section and 3-dimensional Zoning™ design ensure support and durability not achievable with traditional HR, latex, or viscoelastic foams.
