single purchase price

\$1,504.95

Specifications & Technical Features

- Headboard is taller than the footboard to fit your home decor better.
- The wood grain panels are break and scratch resistant.
- Foot section weighs 50% less than conventional foot sections to make deliveries safe and easy.
- Once installed, the high/low shaft will stay with the bed to eliminate loss or forgetting on future installations.
- Labels and color-coded springs ensure the accurate installation of side rails for patient safety.
- The unique motor is completely self-contained to reduce weight & noise.
- The motor assembly can be installed and removed with the patient in bed.
- Bed, side rails, and mattresses are safety-tested by SGS, a nationally recognized testing facility. Satisfies all applicable FDA entrapment guidelines
- The motor is UL approved.
- In the event of a power failure, a 9-volt battery in the hand control can lower the head and foot sections nine times—No crank needed.
- Weight Capacity 450 lbs.

Warranty

5 Years on Motor and Hand Control, Limited Lifetime on Welds and Frame, 1 Year on all other parts and components.

Hospital Bed Packages Overview

Gold: For as low as \$1,799, an unbeatable value, with a Drive Full Electric bed, you can feel confident that convenience is in your future. Featuring four casters (2 locking), an advanced remote, and recessed supports to prevent injuries. It's easy to deliver, set up, and maintain with a snap-off DC motor box. The bed has a 9V battery backup, a limited lifetime warranty on the frame and welds, and a 2-year warranty on mechanical parts and electronics. Take home a full electric medical bed package with a mattress, half rails, and comfortable fitted sheets with the Gold Hospital Bed Package. Upgrade to the Gold VIP Package for even more needed features.

Diamond: This package includes the Advantage Residential Care Series Bed Frame, Pivot Assist 3 Position Rails, VIP Mattress with Advanced Alternating Pressure, Deluxe Bedding Sheet Set, Head/Footboard with Embedded Controls, and Tilt Top Over Table. Span America's Advantage Residential Care Series Bed Frame is a top-of-the-line hospital bed that boasts innovative technology for advanced resident and clinician positioning. Made of heavy-duty steel, this fully electric bed frame offers an array of positions, including high/low, Cardiac/Comfort Chair, and an expandable deck, providing unparalleled comfort and convenience. The optional 3-position side assist rail also provides the essential support needed for easy adjustment. With the Advantage Residential Care Series Bed Frame, you can trust that you are investing in the best.

Platinum: Unbeatable top-of-the-line quality hospital bed package featuring all the deserved features. Our Advantage ReadyWide Bed has modern technology that allows for advanced positioning. The Advantage model with Q-Series has extensive features such as an easy optional sleep surface expansion up to 42" and mobility at any height. The bed can be positioned as a Comfort Chair, Trendelenburg, and Reverse Trendelenburg with the foot-end controls. For safer and ergonomic bed relocation, full 360° mobility and lockability at any height are also available. Additionally, the orthopedic no-sag grid decks are precision welded to provide robust support. For long-term use, there is no better option for home use for you or a loved one.

Advantage ReadyWide Hospital Bed

MC7WML | Span America Product

Introducing the pinnacle of patient care and comfort: the Span America Advantage ReadyWide bed. With integrated expansion and cutting-edge smart technology, this bed sets a new standard in clinical and resident positioning.

single purchase price
\$4,053.95

Introducing the Advantage ReadyWide Hospital Bed, where innovation meets reliability to redefine the standards of patient care. Building upon the robust features of the Advantage bed, the ReadyWide technology introduces smart advancements in clinical and resident positioning. With its trapezoidal slat profile, this bed offers unmatched strength, ventilation, and ease of cleaning, ensuring optimal comfort and hygiene for patients. Experience the next level of care with the Advantage ReadyWide Hospital Bed, where smart technology seamlessly integrates with superior design to enhance the caregiving experience for both patients and caregivers alike.

Packed with Features:

- Ready “two click” expansion to 39in. or 42in.
- Click again to navigate narrow doorways
- Wider surface for safer transfers and ADLs
- Accommodates users up to 500 lb (SWL)
- Optional foot end control provides the following adjustments:
- Comfort Chair
- Trendelenburg
- Reverse Trendelenburg
- Auto-stops when deck is lowered to 12.5in.
- Helps avoid unsafe egress from “too-low” bed
- Reduces caregiver exposure to bedside emergencies
- Staff foot-end control allows lowering to continue

Warranty

Mechanical: 5 Years • Frame: 10 Years • Welds: 15 Years
Any alteration, modification, or repair will void warranty
Normal wear and tear is not covered under the warranty

Span Geo Pro Firm Mattress

PR8042FP-29 | Span America Product

With a weight limit of 300 lbs., a mattress height of 6" at the center, and weighing only 21 lbs., this mattress offers practicality and ease of use without sacrificing performance. Experience the reliability and affordability of the GEO Pro Firm Mattress, setting a new standard in cost-effective patient care.

single purchase price
\$599.95

Key Product Features

Introducing the GEO Pro Firm Mattress, an affordably effective solution designed to meet the needs of budget-conscious facilities without compromising on quality. Featuring a single-layer, zoned construction, this therapeutic foam mattress delivers excellent value while providing essential support and comfort for patients. Each Geo-Mattress® model includes a vapor barrier and bacteriostatically treated cover, ensuring hygiene and durability.

Warranty: 5 Years, non pro-rated

Heel Slope

Heels are the second most common site for pressure ulcers, second only to the sacrum. Heel slope distributes pressure over lower leg, reducing pressure on the vulnerable heel.

Geo Matt Style Foam Topper

The topper reduces shear to underlying tissues. Features more than 800 individually-articulating cells. The premium mattress redistributes pressure, reduces heat and moisture buildup.

Ring of Air

Helps to disperse heat and moisture away from skin into atmosphere.

The Span Geo Pro Firm Mattress is included in:

| Platinum Basic | Platinum Elite | Platinum VIP |

Span UltraMax Mattress

UMX8042-29 | Span America Product

The Span America UltraMax Foam Geo-Mattress features a 500 lb. weight capacity and more than 800 articulating foam cells for maximum comfort and pressure distribution.

single purchase price

\$1,207.95

Specifications & Technical Features

- 350 lb. weight capacity
- Product weight: 24 lbs.
- Length: 42 in.
- Height: 6 in.
- 2 in. deep topped reduces shear to underlying tissues
- More than 800 individually-articulating cells
- Redistributes pressure, reduces heat and skin moisture buildup
- Heel Slope™ designed to further reduce heel pressure
- Shear Transfer Zones create shear-minimizing bands beneath heels, sacrum, and scapula
- 3-dimensional zoning creates anatomically-calibrated support and immersion
- Made of Ultra High Performance Foam specially made for UltraMax
- Polycarbonate-fortified, cleanable LifeSpan® cover

Warranty

- All components: 8 years
- Any alteration, modification, or repair will void warranty
- Normal wear and tear is not covered under the warranty

Lifespan Fabric

The cover's enhanced features include the unique design of the anti-microbial bi-directional stretch cover made with Span's superior LifeSpan® fabric.

LifeSpan® is extremely durable and cleanable and delivers outstanding resistance to chemical breakdown caused by bleach and other harsh disinfectants with its polycarbonate-fortified coating.

Ultra Effective

Geo-Matt® segmented surface and Shear Transfer Zone™ design deliver unsurpassed protection against shearing, pressure, and moisture buildup.

Span PressureGuard Mattress

3715629 | Span America Product

The Span America PressureGuard APM2 Mattress features a 350 lb. weight capacity and two different pressure therapy settings. The high density foam topper has 800 individual cells to help with pressure distribution and the safety edge bolster adds patient stability in sitting and lying down.

single purchase price
\$3,694.95

Key Product Features

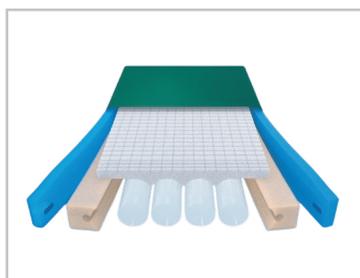

The PressureGuard APM2 Mattress features a 350 lb. weight capacity and two different pressure therapy settings, including alternating pressure and lateral rotation. These two pressure settings change loading in a 10-minute cycle. A timed 20-minute "Auto Firm" mode for caregiving activities such as transfers, ADLs, & CPR. The high density foam topper has 800 individual cells to help with pressure distribution and helps to reduce moisture and heat buildup on the skin.

Warranty: 18 months, all components

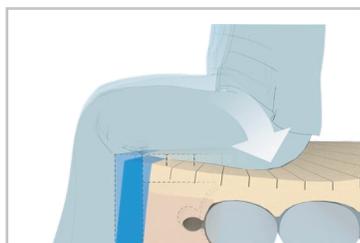

Heel Slope + Geo Matt Topper

2" deep topper reduces shear to underlying tissues. Includes more than 800 individually articulating cells. Heel Slope is designed to further reduce heel pressure. Redistributes pressure, reduces heat and skin moisture buildup.

PressureGuard Design

Head to foot air cylinders for better pressure reduction. Better support in seat area when head of bed is raised. Individual foam cells accommodate bony prominences.

Safety Edge Design

Patented inner bolster "cradling effect" for user safety and stability.
